

The logo for 'The Gallery at The Cultch' is centered at the top of the page. It features the words 'THE GALLERY AT' in a clean, white, sans-serif font above the word 'CULTCH' in a larger, stylized, white font. The 'C' and 'H' in 'CULTCH' have decorative, swirling flourishes. The background is a dark blue gradient with two large, overlapping pink circular shapes on either side, each containing a white silhouette of a person's head and shoulders.

THE GALLERY AT THE CULTCH

It's time for our annual Call for Artists!

The Gallery at The Cultch invites visual artists who work and live in BC to submit an application for possible inclusion in our 2020/21 exhibition season.

The Cultch (Vancouver Eastside Cultural Centre) has built a reputation over the past 45 years as one of Western Canada's most innovative and exciting presenting venues. The mandate of The Cultch is to contribute to the enrichment of our city and community's social and cultural life through the presentation of innovative programs of contemporary music, theatre, dance and visual art by established and emerging artists.

The Gallery at The Cultch is a multi-use non-traditional gallery space. It serves as the lobby and bar for performances, meetings and other small events. Due to the diverse nature of this space we are not able to accommodate works that are 3D which means we don't show sculptural works or works that protrude more than 12" from the wall.

Your application must include:

1. An artist statement that speaks to why and how you make your art.
2. Resume that includes your education, exhibition history, as well as your mailing address, email, phone, and website.
3. A complete list of images you are submitting. Include title, size, and medium. The images you send in can represent an overview of your work or can be of a specific series.
4. Up to and no more than 10 images can be submitted. All digital files should be named with the artists name, title of work and size. Here is an example: Yuri Arajs - Sunny Day - 18x30.jpg
