The Gallery at The Cultch invites visual artists of all abilities and backgrounds to submit an application for possible inclusion in our gallery schedule from August 2024 through July 2025.

The Cultch (Vancouver Eastside Cultural Centre) has built a reputation over the past 50 years as one of Western Canada's most innovative and exciting presenting venues. The mandate of The Cultch is to contribute to the enrichment of our city and community's social and cultural life through the presentation of innovative programs of contemporary music, theatre, dance and visual arts by established and emerging artists.

The Gallery at The Cultch is a multi-use space and not a traditional art gallery. It serves as the lobby and bar for all performances and is occasionally used for meetings and other small events. We present 12 exhibitions annually.
Due to the diverse nature of this space we do not show sculpture or free-standing art. We only show artworks that hang from our gallery "rail" hanging system, and do not extend more than a 12" in depth.

All exhibiting artists are paid an exhibition honorarium.
All exhibitions are presented both in person and on-line.

It's a great opportunity to have your work in front of an audience that is ready to receive you.
